

The Hannahs Open

Deadline: 29th July 2013

Exhibition dates: 5th October – 3rd November 2013

Call for artists

We are looking for applications from some of the most innovative and creative designers, makers and performers from the South West and beyond for the very first open exhibition at Hannahs at Seale Hayne (Newton Abbot) . There are no themes or guidelines, we want to showcase work of the very highest quality and are open to all art forms. The gallery space itself is approx 120 sq meters and there is over 90 acres of land across the whole site so we are happy to consider outdoor work or installations. If you have any specific requirements for your piece (for eg. Av equipment or a space outside of the gallery) please just contact us on the email below. In the last 12 months we have hosted exhibitions from the Hayward Gallery at the Southbank and are currently showing pieces on loan from the Victoria and Albert Museum, London. Our 2014 gallery programme is almost complete and we are now in discussions with new partners and lending bodies for 2015.

Work can be available for sale with a 40% commission taken to continue the work of Hannahs at Seale-Hayne. The site is open to public, free of charge 7 days a week, with an annual footfall of over 100,000. You are very welcome to come along and visit at any time. (Core opening hours are 10-6 unless there are evening events).

The exhibition is open to all although we would particular like to encourage artists with a disability to take part.

There is no charge to artists nor to visitors coming to the exhibition.

Background to Hannahs at Seale-Hayne

Hannahs at Seale-Hayne was opened in 2010 as an innovative and groundbreaking solution to the complete lack of appropriate facilities for people with disabilities once they reach adulthood. This project is an amazing place for the community, for people of all abilities, where we can train, learn, have fun and fulfil our true potential without judgement or limit. A place of true integration and imagination. A place where disability is incidental.

With countless opportunities such as in outdoor activities, arts, music, horticulture, radio, fundraising, sales, baking, events, housekeeping, animal husbandry, grounds, the bar & Bistro; no area is off limits to our young adults. We have created a supportive and exciting environment where

individuals can explore social & business enterprises, learn new skills, or simply enrich their lives and enjoy all there is to offer amongst friends
