CHILDREN'S WEEK 1946 • 2016 PAIGNTON

Young people in Paignton creating a living archive about Children's Week.

The Rep!ay team at Children's Week 2013

What do we do?

VIDEO
SOUND RECORDING
PHOTOGRAPHY
DESIGNING A WEBSITE
MAKING FILMS & RADIO
DESIGNING WHACKY THINGS
INTERVIEWING PEOPLE

We are a group of young people who meet every two weeks in Paignton Library working to create a web site that features videos, archive photos, artwork, sound interviews and regular blogs. We are creating the web site ourselves and you can be part of what we do.

To complete everything we need your help. Come and join us and be part of the team. You don't need to have any particular skills, just to be interested in having a go (ages 8 - 18). A team of digital artists are helping us learn all that we need to get the website looking brilliant.

You might have memories of Children's Week and we want to hear from you too. We would like to see any photos and hear any stories that you have. Get in touch and share your memories with us.
