Torre Abbey Museum

## Tattoo: British Tattoo Art Revealed

As part of a Heritage Lottery funded project, running alongside this major exhibition, Torre Abbey Museum will be collecting and curating (both online and in the gallery) images and tales of tattoos worn by Torbay residents. #TorbayTattooTales

We are looking for an academic and/or knowledgeable and respected writer on tattoo culture to observe and report on the project.

The successful candidate will be invited to attend the show at Torre Abbey and then to engage with the online archive and stories generated during the life of the project.

They will be required to author 4 blog pieces which will be published on our project blog. They will help our visitors to understand more about the general history and local story of tattooing. The 4 blogs pieces could then be combined and published by the successful candidate on appropriate channels and publications.

The blog pieces could reflect upon the exhibition, the subject matter, and the local responses.

To apply please email [Mischa.eligoloff@torbay.gov.uk](mailto:Mischa.eligoloff@torbay.gov.uk)
